

**IN-SCHOOL HEALTH SUPPORT SERVICES – AREA  
FOR INJURED OR ILL STUDENTS**

**Category:** Health and Safety

**Effective:** August 2017

**Policy Statement**

Anglophone West School District endorses the use of sick (isolation) rooms in schools.

**Procedures**

1. Each school shall provide an area for a student to rest while waiting to be picked up by a parent/guardian or to use while unable to remain in the classroom because of illness or injury.
2. The school will make all reasonable attempts to notify the parent/guardian when a student is ill or injured.
3. A student shall not be confined to a sick room without the knowledge of the Principal or the teacher responsible for the student at that time.
4. A student confined to such an area must be able to communicate readily with a responsible adult.
