

June 23, 2015

Mr. Mark Noël  
Chair, District Education Council  
Anglophone West School District  
1135 Prospect Street  
Fredericton, NB E3B 3B9

Mr. Noël:

Thank you for your letter on behalf of the District Education Council for the Anglophone West School District advising me the DEC intends to conduct a sustainability study on Burton Elementary School. I am confident the DEC will conduct an open and transparent review in accordance with the direction in Policy 409.

The Director of Educational Facilities and Pupil Transportation, Mr. Thomas Weber, and Department of Education and Early Childhood Development (EECD) staff members are available to assist the district in your endeavour. Mr. Weber may be reached by e-mail at [Thomas.Weber@gnb.ca](mailto:Thomas.Weber@gnb.ca). Undertakings such as these can be challenging and I appreciate your efforts on behalf of the people of New Brunswick.

Sincerely,

Hon. Serge Rousselle, Q.C.  
Minister

- C. Mr. Thomas Weber, Director, Educational Facilities and Pupil Transportation  
Mr. David McTimoney, Superintendent, Anglophone West School District
