

Request to have District Education Council declare Anglophone West School District property in Harvey as Surplus

The Request

The Municipality of Harvey Rural Community is asking the Anglophone West School District to declare part of the property identified by PID 01516350 located at 1910 Route 3 in Harvey as surplus. The area is outlined in Attachment 1. Harvey Rural Community would then obtain the property from the Government of New Brunswick and convert it for public use for municipal offices and a public park.

Vision for the property

Our Vision for the property is to have a civic home for Harvey Rural Community. A place where citizens can find information, deal with administrative issues, and celebrate their community. A symbol where people can say that is “our town hall”. A home for tourists to stop, learn about our past, get information on our community and take photos with our famous Fiddle. The place where we participate in Remembrance services, have our Christmas tree lighting and celebrate what it means to be a community.

The Process

The division of the property would ensure that ASD-W retains all property required for access to the storage building. All costs for survey, subdivision of the property and legal will be paid by Harvey Rural Community.

Attachment 1

Subdivide Property

(see blue lines)

The suggested property lines are approximate and would leave room for the school buses and vehicles to continue to make a loop around the building.
