# PowerSchool Public Portal

Introduction & Purpose

The PowerSchool Public Portal is an online tool that enables parents and students to become informed and involved partners in Education. The Public Portal can keep you informed about what's happening at school, track your children's progress, and provide you with online access to your children's teachers and classes.

POLICY 311   **PowerSchool Public Portal**

POSTING AND RELEASE OF STUDENT INFORMATION – Grades K to 12

To enhance communication with parents, guardians and students, the Department of Education and Early Childhood Development (EECD) has initiated the PowerSchool Public Portal. This allows parents, guardians, and students to view current student attendance data, K-12. Further, at the high school level there is the potential for detailed course descriptions, assignment scores and updates from the teacher in a secure online environment.

Additionally, student information that would be accessible by parents or guardians, and students would include student progress at reporting periods. You will only be able to view information for a student or students for whom you have been issued a Student Access ID & Password by the School Administration.

Please note: While stringent security protocols are enforced to mitigate the risk of unintentionally exposing student information to the internet, any information hosted on websites or e-mailed has the **potential** **to be viewed/accessed by other Internet users. Parents & students are advised to consider this possibility and strictly adhere to the *Information and Communication Technologies Use* guidelines.**

Please sign and return this form to the School Administration to indicate your wish to access your student's information in the PowerSchool Public Portal:
