LEARNING

We believe in continually improving learning opportunities and environments that nurture every student's strengths, identities, and needs so they can acquire skills to succeed academically and in life.

PROFESSIONALISM

We believe in engaging in professional, responsible, and sustainable operational structures and practices that fulfill our shared commitments and build a trusting school community.

WELL-BEING

We believe in cultivating a positive learning and workplace culture that puts social, emotional, and physical well-being and safety at the forefront.

BELONGING

We believe in providing equitable, friendly environments that welcome diversity and provide inclusive and empowering opportunities for all.

CITIZENSHIP

We believe in modelling and providing opportunities for leadership and citizenship that enable students to become contributing members of society.
