

Study does not take into account grouping based utilisation, only generalised population based on grade level and normalised class size for school grade levels offered.

¹ Summary Statistics, Department of Education and Early Childhood Development

² Post study construction, un-audited classrooms count

³ Office of the Comptroller Audit and Consulting Services study completed 2010

⁴ Teaching station number do not take into account spaces converted for: 1) I.S.D. 2) Early French Immersion 3) Early Childhood 4) Visiting Professionals 5) Other EECD Staff
