Charlotte Burhoe:

I am pleased to inform you that you have been appointed as a member of the District Education Council (DEC), as a member representing sub-district 7 of the Anglophone West School District, effective immediately until June 30, 2026.

Thank you for your interest in serving on this important board. Your commitment and support for your school district is appreciated. As a member, we encourage you to participate in committees, stakeholder consultations and professional development opportunities at the local and provincial levels for the benefit of all schools and students in your school district.

The DEC is responsible for setting the direction and priorities of the school district and making decisions about the operation of the district and its schools. It has the power to make decisions and set policies on a wide range of issues affecting the schools in its district. In addition, the DEC can develop policies on matters within its own authority or within the authority of the superintendent under the Education Act.

Warm regards,
