Frequently Asked Questions

WHAT IF I CANNOT SUPPORT MY LEARNER IN FRENCH?

There is no expectation that families of learners in any of the program options to speak French. All program options are designed for children whose first language is not French.

HOW CAN I HELP MY LEARNER?

Reading to your learner from a young age supports literacy in both first and additional languages. Families can further support learning by communicating with educators and encouraging reading, writing, and listening in both English and French, while also supporting the expectation that **communication in French Immersion takes place in French**. Exposure to French beyond school is key, and FLORA is an excellent resource for supporting ongoing learner engagement:

WHAT IF MY LEARNER NEEDS SUPPORT?

French and English are the official languages of Canada and New Brunswick, and all learners in the anglophone sector have opportunities to learn French. Each program is designed to meet the needs of learners, with multiple ways to support success in French second language learning. These supports may include Personalized Learning Plans, curricular adjustments, accommodations, universal learning supports, and strong, inclusive classroom practices.

WILL MY CHILD LEARN THE SAME MATERIAL IN FRENCH IMMERSION AS IN ENGLISH PRIME?

The curriculum follows the guidelines of the NB Department of Education and Early Childhood Development. Learners work towards the same goals for all subjects regardless of language of instruction. In addition, instructional time is dedicated to acquiring the vocabulary terms necessary for the learning area.

INTERMEDIATE~B1.1

TARGET FOR GRADE 12 INTENSIVE FRENCH LEARNERS

The learner can satisfy routine social demands and limited requirements in school/work settings with a speaking vocabulary sufficient for simple conversation, with some paraphrasing.

The learner can:

- provide information and give explanations with some degree of accuracy;
- handle most common social situations, including introductions and casual conversations about events in school and community;
- provide information about themselves in some detail;
- give directions from one place to another; and
- give accurate instructions in a field of personal expertise.

INTERMEDIATE PLUS~B1.2

TARGET FOR GRADE 12 LATE FRENCH IMMERSION LEARNERS

The learner can satisfy the requirements of a broad variety of everyday, school and work situations, often showing a significant degree of fluency and ease in speaking.

The learner can:

- discuss concrete topics relating to special fields of competence as well as subjects of current public interest;
- start, maintain, and end simple face-to-face conversations about familiar topics or personal interests; and
- compare and give opinions in a conversation.

ADVANCED~B2.1

TARGET FOR GRADE 12 EARLY FRENCH IMMERSION LEARNERS

The learner can speak fluently with good control of grammar and with sufficient structural accuracy and vocabulary to participate effectively in most formal, and in all informal, conversations on practical, social, and academic or work-related topics.

The learner can:

- describe in detail and narrate accurately;
- discuss abstract topics and ideas as well as events; and
- support opinions and hypothesize.

i The level of French that learners attain by high school graduation will vary from one student to another, in the same way as performance varies in other areas.

i **The Centre of Excellence for Language Learning** creates authentic French language experiences, supports families on their child’s FSL journey, and builds partnerships with community groups to promote bilingualism as a life skill in NB.
