

September 22, 2026

Honourable Dr. Claire Johnson, Minister
Department of Education and Early Childhood Development (EECD)
P.O. Box 6000 Fredericton, NB
E3B 5H1

Dear Minister Johnson:

On September 17th, 2026, the Anglophone West School District Education Council (ASD-W DEC) held its monthly public meeting. At that meeting, Council voted in favour of conducting a sustainability study of Kingsclear Community School.

In accordance with EECD Provincial Policy 409 – Multi-year School Infrastructure Planning, Section 6.4.4, this letter serves as written notice of the DEC's intention to conduct a sustainability study of Kingsclear Community School.

On behalf of the District Education Council, I wish to assure you that the study will follow the process outlined in Policy 409. Throughout the process, the DEC will ensure opportunities for meaningful public consultation and the transparent sharing of information with the school community and other interested stakeholders. Our school district website <https://asdw.nbed.ca/> will serve as the location for official documentation, building the study report as we proceed.

At the conclusion of the sustainability study, the DEC will provide you with the results and any recommendations arising from the process.

Sincerely,

Wallace Carr Chairperson, District Education Council
Anglophone West School District

cc: Ryan Donaghy, Deputy Minister – Anglophone Sector
David McTimoney, Superintendent – ASD-W
